LETTER FROM THE PRINCIPAL

Dear Families,

On behalf of the Arlington Central School District Board of Education, our Superintendent Dr. Brendan Lyons, our Deputy Superintendent Mr. Philip Benante, and the Overlook Primary School faculty and staff, I want to welcome you to the 2017-2018 school year. I am excited to join the Overlook Primary School community and look forward to the year ahead.

In this Handbook, you will find important dates and information for the school year. Our Handbook is one of the many ways we will use to communicate between the home and school. Please read and keep this handbook available throughout the year. You will also find it on Overlook's website ([http://overlook.arlingtonschools.org/pages/Overlook Primary School](http://overlook.arlingtonschools.org/pages/Overlook_Primary_School)). Our website will help keep you updated on the most recent information about all school activities.

The home-school connection is an important piece of student success. I encourage you to be involved in any way that you can. Please know that you are welcome to visit our school and we encourage you to attend scheduled parent/teacher meetings as well as other family events. I look forward to meeting you and please feel free to reach out at any time.

I hope this Handbook is helpful to you and we wish you, your child and your family a wonderful and productive school year.

Sincerely,

Jessica Wheeler
Acting Principal

Be Kind • Be Respectful • Be Accepting • Be Your Best • Believe

Our mission is to empower all students to be self-directed, lifelong learners, who willingly contribute to their community and lead passionate, purposeful lives.

MISSION STATEMENT

The Arlington Central School District mission is to empower all students to be self-directed, lifelong learners, who willingly contribute to their community, and lead passionate, purposeful lives.

CORE VALUES

Be Kind • Be Respectful • Be Accepting • Be Your Best • Believe

We believe that:

- All people have inherent value.
- Lifelong learning is essential for growth.
- A community thrives when all members embrace their interdependence with compassion and empathy.
- Potential can only be attained through commitment, resilience, and high expectations.
- All people can learn.
- Change is essential for progress.
- All people are responsible for their choices and actions.

FAMILY ENGAGEMENT

Overlook Primary School values family involvement highly. Family involvement in school leads to greater academic, social, and emotional success. Through our PTA, regular family engagement activities, and communication, we collaborate with families to ensure that everyone is a welcomed and active member of our community. We encourage you to stay connected to our school community, and find ways to actively take part in your child's schooling.

GENERAL INFORMATION

PARENT PORTAL

*Parents/legal guardians may sign up for Parent Portal (a web-based system that allows parents and students a secure way to access **progress reports, report cards, attendance and schedules**). Parent Portal can be accessed at the Arlington Central School website, www.arlingtonschools.org under the tab for Parents.*

For assistance with login/access, parents should email from their registered email account to parentportal@acsdny.org.

Support can only be offered via email.

SCHOOLMESSENGER

As you may know, Arlington uses the SchoolMessenger callout service to phone you about emergencies, school closings, and early dismissals, as well as to remind you about school activities and important dates. As we look to reduce the paper we send home, we will be increasingly using SchoolMessenger to email forms and pertinent school and district information.

SchoolMessenger has recently upgraded their system and it will now be even easier for parents and guardians to set their notification preferences and to add additional contact information to the system. **Two significant changes require your attention:**

1. Each parent/guardian now has your own account.

- Each parent/guardian now has a SchoolMessenger account, so each parent will receive messages on the primary phone and email we have listed for you.
- Non-custodial parents will now receive phone notifications (if we have your number), unless you opt out using the new SchoolMessenger App.
- All parents/guardians who do not want to receive a 5:00am closing/delay call must opt out using the App. Please sign up for the SchoolMessenger App immediately so that you get the information you want, the way you want it!

2. Any preferences you previously added to SchoolMessenger have been deleted.

- You must sign up for the App to set up your preferences. This includes opting out of the 5:00am closing/delay call and setting up text messaging (if desired).
- The district has automatically added one primary phone number and one email per parent/guardian to SchoolMessenger to receive notifications. If you want to receive messages at any other phone number or email address, you must add this contact information through the App.

The SchoolMessenger App: How it works:

The SchoolMessenger App provides access to all the messages and information sent by the Arlington Central School District. Accessible from any internet-enabled device, the SchoolMessenger App visually displays and organizes alerts,

notifications, and attachments for easy review and reference. The SchoolMessenger App also allows you to customize how you receive communications from the school and district. If you download the App on your mobile phone, you will be able to receive push notifications.

How do I sign up for the SchoolMessenger App?

Please follow the directions linked below. When signing up for the App, use the email address where you received this message.

http://www.arlingtonschools.org/pages/arlington_schools/Parents/7164670974232660402/Instructions_for_Signing_Up_for_SchoolMessenger_App

SCHOOL HOURS

8:40^{AM} – 3:15^{PM}

Our school day starts at 8:40 a.m.; students may arrive no earlier than 8:30 a.m. There is no adult supervision prior to 8:30 a.m.

EARLY/LATE ARRIVAL

On occasion, circumstances may require that a student arrive late to school or be dismissed before the regular closing time. If it becomes necessary for a student to arrive late or leave early, the parent/guardian must report to the building greeter with proper identification and sign the student in or out on the Student Sign-In/Sign-Out sheet. We kindly ask that parents do not sign students out of school within the last 30 minutes of the day.

DROP-OFF/PICK-UP PROCEDURES

DROP-OFF IN MORNING – The morning bell rings at 8:40^{AM}. Students will not be allowed into the building until 8:30^{AM}, then they must enter directly into the cafetorium and wait for the 8:40^{AM} bell to ring. All students arriving at school other than by school bus may be brought into the school by an adult no earlier than 8:30^{AM} and again must go directly into the cafetorium. Please walk your child into the school. At 8:40^{AM} students may enter the cross-corridor or the kindergarten corridor door.

No students are permitted on the playground before school. No one, other than attending students or staff, may use the playground during school hours.

PICK-UP IN AFTERNOON - Students should be signed out and picked up in the cafetorium. If you will be picking your child up, please send in a note to let us know that your child will not be riding the bus home. Without a written note, students must be placed on the bus. It is very difficult for the young children when they are unsure of how they will arrive home, so please help us with timely notes. The school day ends at 3:15^{PM}. We ask that you pick up your child at 3:15^{PM} so that classes are not interrupted. Please be aware that the playground is closed to the public until after school has dismissed and the buses have left the school grounds.

DISMISSAL PROCEDURE FOR PICK-UPS

The following are our dismissal procedures for children who are being picked up at 3:15^{PM}. These procedures will enhance the safety and efficiency of the process. The teachers will review them with the children. We appreciate your support in discussing the procedures with your child and instructing them to follow these procedures.

- Parents are to pick up from the cafetorium at 3:15^{PM} dismissal, (remember a written note, signed by the parent must be presented to the teacher in the morning).
- The children that are being picked up will be dismissed to the cafetorium at 3:15^{PM}, not before. The teachers and children are engaged in instruction until this time and students are not able to be released prior.
- The children are to enter the cafetorium and sit on benches under the number or letter that corresponds to their grade level.
- Parents should line up in front of the dismissal table after seeing their child enter the cafetorium.
- Parents should sign the sign-out sheet, and then the staff member will release the student to the parent. Photo identification is required at pick-up. Safety of your child is our utmost priority.
- Please vacate the dismissal area (cafetorium, lobby, main office) as soon as you sign out your child to prevent confusion and accidents.

Thank you in advance for your understanding and cooperation in this matter.

NEW YORK STATE ATTENDANCE REGULATIONS

When a student is absent, the school must obtain an affidavit (commonly called an "excuse") from the parent or guardian and signed by him/her stating: (1) the student's full name, (2) days and dates absent from school, and (3) the reason for absence. This excuse is a legal document, which must be kept on file for three years and can be admitted in court as documentary evidence. Failure to present a note following an absence will result in the absence being recorded as truancy.

Legal absences are as follows: Personal Illness; Recognized Religious Holidays; Critical Illness or Death in the Immediate Family; Required Attendance at Court; Extremely Bad Weather; Quarantine; Impassable Roads

Illegal absences fall into two categories: truancy and unlawful detention.

- **TRUANCY:** A student sent to school by his/her parent/guardian and expected to be in school is considered truant if he/she absents himself/herself for some unlawful reason.
- **UNLAWFUL DETENTION:** Unlawful detention occurs when a pupil is absent from school with the knowledge and consent, stated or implied, of his/her parent/guardian for other than legal reasons, such as "visiting", "away", "vacation", "shopping", "needed at home", "no shoes", "overslept", "car trouble", etc.

VISITOR POLICY AND PROCEDURES

We take the safety of our students and staff very seriously and have made significant improvements to the security of our schools:

- Security greeters are in place at all schools
- Security greeter workstations are positioned by the door to maximize visibility and to give the greeter direct access to the camera/buzzer system
- All schools have an emergency alert system tied directly to the Town of Poughkeepsie Police or to the Dutchess County Sheriff's office

- Schools practice a variety of safety drills, including four lockdown drills per year
- The District Emergency Response Team (DERT) and Building Emergency Response Teams (BERT) have been established.

When visiting a school or the CAO please adhere to the following procedures:

- All visitors must enter through the designated main entrance of the school
- In order to be buzzed into the building, please show a photo ID to the camera
- Report directly to the security greeter
- Be prepared to show your photo identification to the greeter and explain your reason for visiting
- Provided you have an appointment, the greeter will sign you in on the register and issue a visitor badge
- The badge must be worn and displayed at all times while in the school or on school grounds
- When your visit is complete, return the badge to the security greeter and exit the building.

We realize that following these procedures may take a few extra minutes, but for the safety of our students and staff, we appreciate your cooperation. Together, we can make our schools a safer place for our children to learn. We look forward to a safe and successful school year.

CURRICULUM

Copies of the Arlington Central School District's curriculum for grades K-12 are available on the district website (<http://www.arlingtonschools.org/>).

REPORT CARDS

An important component of this position is to maintain close communication with parents. To facilitate this, report cards are issued on a trimester schedule (three times a year). In addition, conferences are scheduled at the end of the first report period and subsequently as needed or desired by either the parent and/or teacher. All conferences must be arranged ahead of time. To schedule an appointment with your child's teacher, call 486-4970.

REPORT CARD DISTRIBUTED TO PARENTS
DECEMBER 7
MARCH 15
JUNE 20

FAMILY CONFERENCES

Family conferences are formal meetings for families and teachers to discuss student progress and to build strategies to help students be more successful. Additionally, conferences help families understand the academic achievement standards as they apply to their child's progress and performance. We ask that you make it a priority to attend our family conferences. It is important that these meetings occur.

BUS RULES

The safety of our students is very important to us. Below please find a list of rules for them to follow while riding our school buses. Abiding by these rules will ensure a secure trip to and from school.

- Be ready when the bus arrives. The bus will not wait for tardy students.
- Board only your assigned bus and only at your established stop.
- No one must enter or leave the bus while it is in motion.
- Obey the bus driver. He/She is in complete charge of the bus and is doing his/her best for you.
- Cross 10 feet in front of the bus rather than behind the bus. Await the driver's signal before crossing the road.
- All passengers must remain back of the white line so as not to interfere with the driver.
- The bus driver will assign seats when necessary and require passengers to occupy the seats assigned.
- Remain seated until the bus stops.

- While on the bus, students should keep hands and heads inside the bus at all times.
- Obscene language must not be used.

- The consumption of food and/or beverages is forbidden.
- Please help your bus driver to keep your bus neat and do your part to make his/her driving safer.
- Quarreling, fighting, or rough play will not be tolerated.
- Loud voices and noises can be distracting to the driver. It makes good driving difficult. Radios, audio, and toys, such as yo-yos are not allowed on the bus.
- The bus driver will report any irregularity to the Principal. The Principal may refuse transportation to a student for failure to comply with the above regulations.

If your child is not riding the bus and is being dropped at school, please park in the front lot and walk your child in the building, not before 8:30am.

FOOD SERVICE

- Breakfast is available for \$1.50* daily. The choice for breakfast is listed on the monthly menu and on the food services section of the ACSD website.
- Lunch is available for \$2.70* and a menu is provided monthly. In addition to the complete meal (protein, bread, vegetable, fruit and milk), a la carte items can be purchased at an additional cost.
- Students order their lunches in the morning and, due to the amount prepared, cannot change their choice.
- Free/reduced lunch or breakfast is available for children who are eligible under the income guidelines published in August. We encourage all families who believe they may qualify to complete the required form, or speak directly to one of our clerical staff for more information. Your information remains confidential, and students who receive free or reduced lunch receive their lunch in the same manner as all other students.

Please visit the district website (www.arlingtonschools.org) and click on the link for School Lunch for more information.

* All prices are subject to change.

HEALTH AND WELLNESS

Recently the Arlington Board of Education approved updates made to the District Wellness Policy that is intended to promote student wellness. The wellness policy provides guidelines and expectations around nutrition, physical activity, and other school-based activities. I am writing to highlight and summarize the important components of the nutrition guidelines. I believe that, working together, we will be able to meet the nutrition guidelines of the wellness policy for the benefit of your children at school.

Please note the following areas and let's work together to do our best to support:

- As a school we are responsible for providing foods that are high in nutrients, low in saturated fat and added sugars, have zero grams of trans-fat per serving, and are of moderate portion size for all foods and beverages available on school grounds.
- School-sponsored fundraisers conducted outside of the school day are encouraged to support the nutrition guidelines of the wellness policy by promoting the sale of healthy food items (fresh fruit and produce) and/or non-food items, such as water bottles, plants, etc.
- Staff and families are encouraged to provide students with healthy options at any event where foods and beverages are served to students (classroom parties, school-wide events, celebrations, rewards, etc.)
- At school-sponsored events outside of the school day where food or beverages are sold, 50% of the items sold must meet the USDA "Smart Snacks in Schools" Standards.

There are other nutrition guidelines listed within the wellness policy, however, they do not apply to the elementary school level. If you would like to review the entire policy, please go to the district website and search the Board of Education Policy manual, http://www.arlingtonschools.org/pages/arlington_schools/Board_of_Education/Policy_Manual, or contact our main office and we will send you a copy.

If you have any questions about the wellness policy or how we will implement it at school this year, please feel free to speak with me. Please work with our teachers and staff to ensure that we are meeting the expectations of the policy by providing healthy food and beverage options for our students at class parties, celebrations, after-school events, and fundraisers. I am confident that we will be able to uphold the nutrition guidelines of the wellness policy while keeping our focus on maintaining a safe, fun, and learning-centered school for children. I appreciate your support.

BIRTHDAY POLICY

Student birthdays are important, and are recognized within the child's classroom. Teachers may briefly recognize and celebrate a student's birthday. We kindly ask that you speak to your child's teacher prior to bringing in any items for a child's birthday. It is important that the teacher is able to manage each birthday in an equitable manner for each child. If you wish to celebrate your child's birthday outside of school and would like to invite students from class, the teacher may distribute invitations only if one is being sent for each child in the class. Please also note that some classrooms act as "buddy" classrooms, and students who are part of your child's class for a portion of the day should also be invited. Please ask your child's teacher for more information with respect to their particular classroom celebrations.

PERSONAL BELONGINGS

Students should ensure that any personal belongings they bring with them to school do not pose a distraction to self or others. Belongings of significant value should also not be brought into school. Please note that the school does not take responsibility for any personal belongings brought to school.

CARE OF SCHOOL PROPERTY

Students will not mark or deface school property or school buses in any way. This includes desks, books, walls, toilet partitions, etc. School pride and a sense of responsibility should also prompt them to make the appearance of the school as attractive as possible. If school property is damaged or lost, the damaged or defaced property or item(s) must be replaced, repaired and/or paid for by the responsible student's family.

LOST AND FOUND

The lost and found box can be found in either the front hallway or the cafetorium. Please label all your child's belongings to ensure that you can locate them quickly, if lost. If they should lose their belongings on the bus, call the bus transportation number (486-4955) with the bus number right away and they will check the bus that night. Once the school year ends, all lost and found items will be donated to a local charity.

ACADEMIC INTERVENTION SERVICES (AIS)

LANGUAGE ARTS INTERVENTION

The Language Arts Intervention Program serves students who are reading and writing below grade level. It provides students with additional instruction in the areas of reading, writing and speaking. The basic goals of this program are to help bring about improvement in literacy skills, confidence in dealing with scholastic requirements and a greater amount of pleasure in personal reading and writing. This support may be provided within the classroom setting (push-in) or outside the classroom (pull-out).

MATH INTERVENTION

Our math intervention program is designed to support students who may need extra help in mathematics. Faculty and staff work closely to identify students who need these supports, and develop strategies and interventions to ensure that the student is progressing. This support may be provided within the classroom setting (push-in) or outside the classroom (pull-out).

PUPIL PERSONNEL SERVICES

SPEECH/LANGUAGE PATHOLOGIST

The use of language and speech is essential to succeed both in the academic and social domains. Here at Overlook, children develop their speech and language abilities, through fluency, articulation, and/or expressive and receptive language therapy. The goal is to facilitate academic and social success.

SCHOOL SOCIAL WORKER

For Students: Crisis counseling, support groups for children of divorce, friendship groups.

For Families: Crisis counseling, evaluation and assessment, brief family counseling, community referral, liaison with outside agencies school-family contact.

For Staff: Consultation services, classroom presentations on friendship, anger management, cooperative learning, communication, decision making, problem solving, medication, conflict resolution, working to develop behavior plans for students and families, working as part of a team to work with families and students to improve learning.

SCHOOL PSYCHOLOGIST SERVICES

The primary role of the school psychologist is to work with students, families, teachers and staff to insure a productive learning environment on which all children reach their full educational potential. Although most commonly thought of as a resource for students with Special Education needs, the school psychologist is also accessible to any student. Services are available in the following areas:

Assessment: A variety of techniques are used to evaluate a student's academic progress, his/her individual learning style, ability to benefit from classroom instruction and behavioral or management needs.

Counseling/Consultation: individual or group counseling environments are available addressing a wide range of issues that adversely impact a student's learning. Referral resources to outside support agencies are also available. Crisis intervention counseling can be quickly implemented should a student experience an unexpected trauma. Information and educational or parenting approaches are also available.

Behavior Management: Positive goal-oriented behavior management strategies are developed between the school psychologist, the student, his/her family and the classroom teacher, which assist the student in understanding and regulating their own actions. Students are encouraged to actively participate in the development of their management plan to take responsibility for its success with support from staff.

Special Education: The school psychologist coordinates all services for students with special needs. Questions regarding Special Education services or processes may be directed to the school psychologist.

New York State Office of Children and Family Services (OCFS) 1-800-342-3720

The New York State Office of Children and Family Services (OCFS) website: <http://ocfs.ny.gov/main/cps/> contains many resources. Included are a childcare facility listing, information on foster care and adoption, language assistance resources as well as many others.

HEALTH SERVICES

PHYSICAL EXAMS

Physical exams are required in kindergarten, second, fourth, seventh, and tenth grades. Any student who hasn't had a physical by their personal physician will be required to have a physical by the school physician. Also, any new students entering the Arlington Central School District must have a physical exam.

IMMUNIZATIONS

Proper immunizations are required prior to entrance into school. The school nurse will inform you of the necessary immunization requirements.

MEDICATIONS

A doctor's written order is needed for any medication to be given by the nurse. All medication must be labeled and brought into school by an adult between the hours of 8:30^{AM} and 3:30^{PM}. At the end of the school year, all medications must be picked up by an adult and a new prescription obtained for the next school year. A refrigerator is available in the health office for medication. If your child has a special need, please make the nurse aware of the situation.

EMERGENCY CARDS

Please notify the nurse and main office if you have any changes in telephone numbers on your emergency card. Your child will not be released to anyone unless they are listed on the emergency card, however, in the case of an emergency, you may send a note for someone else to pick up your child. Identification will be checked.

SCREENING

A vision and hearing screening is done annually by the school nurse.

HEALTH-RELATED ISSUES

Please notify the school nurse of any health-related issues your child may develop.

FEVER

Students must be fever-free for twenty-four hours, without the aid of fever reducing medication, before returning to school.

CONJUNCTIVITIS (PINK EYE)

Students should be on medication for 24 hours before returning to school. Pink Eye is highly contagious.

HEAD LICE

Students may return to school after they are free of any live head lice, and must see the school nurse in the health office before returning to class. Children are not permitted to ride the school bus to school until they have been checked by the nurse. If head lice are found during school hours, a parent or guardian must pick up the student. Any student with head lice may not ride the school bus.

PHYSICAL EDUCATION EXCUSES

A written notice is required if your child is unable to participate in PE. If your child must be out of PE for over one week, a doctor's note is required. A re-entry notice from the doctor is necessary for the student to resume participation in PE class. Children wearing casts, splints and/or ace wraps are not permitted to participate.

SPECIALS

LIBRARY

The Overlook Library has a variety of materials available for our students, including over 10,000 media items

such as books, eBooks, magazines, audio-visual materials, computers, academic databases and the Internet.

While the students may not borrow computer software or audio-visual material, these materials are used in the library, and borrowed by the teachers for classroom use. Children may borrow books, books on CD/tape and magazines during their regularly scheduled class times or anytime during the day at their teacher's discretion. Every student has a 40-

minute library class every week.

Children may borrow books for one week and renew if more time is needed; they do not have to have to bring the book back to the library to renew it. Kindergartners are allowed one book and children in first and second grade are allowed two books.

Teachers often schedule extra research periods in the library for classes and small groups. Books signed out for reports or research assignments may be kept for longer periods of time.

VISUAL ART

The art program is a student-centered choice based learning environment. The children are treated as artists and the art room is their studio. The art studio is organized by media, and students will be creating and exploring in drawing, collage, painting, printmaking, clay, recycled material sculpture, and fiber arts. The focus is on the Studio Habits of Mind: Stretch and Explore, Envision, and Observe. Their ideas and questions are respected, supported, nurtured and celebrated. Students will explore with a variety of media, generate original ideas, and learn to care for art tools and materials. Through teacher led skill builders, demonstrations and explorations, students will gather skills and experiences with all types of media and the creative process. They will create personal artwork with these skills with choice over subject matter, media and technique. Creative problem solving, discovery and meaning making are highly honored. Reflection on the process is at the heart of their learning. Students will begin the critique process by sharing their art with their peers and telling the story of their art.

Learning is the goal of the child's art experience- the artwork itself is a wonderful by-product and at the same time the driving force of problem solving, perseverance, satisfaction and joy.

In the art studio children learn:

- Skills and techniques to build their knowledge of art methods and materials.
- Art history, styles and artists which connect to their classroom studies and personal artwork.

- Artists are encouraged to experiment, problem solve, think, build, reflect and share.
- Art connects to other learning and informs understanding outside of art making.
- There are multiple ways to learn, be successful and show understanding.
- Everyone can be an artist. Everyone can learn.

Artists at Overlook have art once per week for 40 minutes. Please dress for a mess!

PHYSICAL EDUCATION

The basic aim of a quality Physical Education program is to contribute to the physical, mental, social and emotional growth of the child. Our program successfully achieves this goal by providing the child with age appropriate skill development and activities that range from the development of basic coordination skills to the more sport specific games and activities.

At the primary level, children are introduced to locomotor and non-locomotor movements, skills and activities that develop eye-hand and eye-foot coordination, balance, throwing and catching skills, KiDnastics, and the general development of body control. Students are also exposed to activities that promote free expression and creativity, to low organized games with simple rules and objectives, as well as being involved in small and large group activities that foster the understanding and development of sharing, working and playing cooperatively.

It is imperative that each child comes to Physical Education class with the proper footwear. Sneakers are necessary for safety and we ask that parents provide their child with this necessary component. Sandals, flip-flops, boots and Crocs are not acceptable footwear for safe participation in PE. Comfortable clothes are also very important to the child's safety and enjoyment in PE class. All children attend PE class twice each week.

MUSIC

There is a tradition of excellence in music throughout the Arlington Central School District. Students can avail themselves of many opportunities and enriching experiences through their participation in general

music at Overlook Primary School

Music, as a creative art, is an integral part of a child's education. It is an area of the curriculum that is concerned with subjective responses and affective growth, yet dependent upon experiences and knowledge. Through the study of music, the child discovers the relationship between knowledge and expression, structure and creativity, history and the universality of man. Through musical experiences, the child grows in self-understanding, self-awareness, and self-expression.

At Overlook, the general music program contributes to the musical growth of children by nurturing their musical interests and abilities, broadening their musical horizons, and enriching their knowledge and enjoyment of music. While guiding children toward aesthetic growth, they develop their awareness of the constituent elements of music: rhythm, melody, harmony, form, expression, and style. Some of the musical experiences provided by the general music program are:

-SINGING ALONE AND WITH A GROUP

-MOVING TO MUSIC

-PLAYING INSTRUMENTS

-LISTENING TO MUSIC

-READING AND WRITING MUSIC

-PLAYING MUSICAL GAMES

-PERFORMING

All students attend general music class once a week for 40 minutes.

Overlook/Titusville Parent Teacher Association

Join... Participate... MAKE a DIFFERENCE!

Overlook/Titusville PTA is your local chapter of a national organization with a mission of bringing home and school into a closer relationship. PTA is open to all parents, caregivers, teacher, and community members who care about and work cooperatively in the education and development of our children. Please consider **JOINING** the PTA, to show your support of our efforts. Please try to find time to **PARTICIPATE** in PTA events so that you can be a part of the community at Overlook and Titusville Schools. If you do, you will **MAKE a DIFFERENCE!**

PTA MEETING SCHEDULE

The PTA Officers for 2017-2018

President: Nicole Bowen Yanks212atc@hotmail.com
VP of Operations: Jenn Rodrigues..... Jenncrowd@gmail.com
VP of Membership: Debbie Spaun Debbiespaun@gmail.com
Secretary: Elaine Ignal..... Katiesmom717@gmail.com
Treasurer: Aimee Heinly..... Aimeeheinly@optonline.net

Are you wondering, “Just what does the PTA do”?

Here is a listing of the many programs and events, along with the Committee Chairpersons, sponsored by the Overlook/Titusville PTA. If you have interests in any of these areas, your time and talents would be greatly appreciated!

Contact Nicole Bowen at opstispta@gmail.com for more information or to get involved.

ARTS-IN-EDUCATION: VOLUNTEER NEEDED

The PTA sponsors performances, which include authors, musicians, puppeteers and dancers. Themes such as tolerance, Native American culture, African/American dancing, storytelling and creative writing stimulate the student's creativity, self-expression and their imagination.

ARLINGTON COUNCIL ART FAIR: VOLUNTEER NEEDED

A district-wide art show sponsored by the Arlington Council.

ARLINGTON COUNCIL: VOLUNTEER NEEDED

A group of representatives from each PTA within the Arlington School District. Council meetings are held monthly with a PTA representative reporting back on district-wide PTA issues.

BACK TO SCHOOL MEMBERSHIP EVENT: PTA EXECUTIVE COMMITTEE

***New!** Join us for an evening of fun for the family while learning about all the PTA provides for our children. Joining the PTA helps provide financial support for all the PTA-sponsored programs.*

BOOK FAIR: DANIELLE CHASE

With the gymnasium converted into a well-stocked book store, children, and parents, can purchase new Scholastic books right at the school.

BOX TOPS (GENERAL MILLS): JESSICA FLYNN

Collection and redemption of box tops can lead to valuable rewards for Overlook, such as computer equipment and art and library supplies.

FALL FESTIVAL: CAROLANNE BLABAC AND JENN RODRIGUES

An evening of fun fall activities for children and their families.

FALL FUNDRAISER: HEATHER MUELLER AND DEBBIE SPAUN

The PTA's biggest fundraiser of the year allows the PTA to bring the various programs and events to our children. The fall catalog sale offers a variety of merchandise and gifts. And new this year, it will be followed by a cookie dough and pie sale in time for the holidays.

HOLIDAY SHOP & FEAST: DEBBIE SPAUN

***New!** Dinner and shopping event with holiday shop set up for children to purchase gifts.*

HOSPITALITY: ELAINE IGNAI

Refreshments are provided for various school functions, including PTA meetings and occasional School Board meetings.

ICE CREAM SOCIAL: VOLUNTEER NEEDED

An evening of fun outdoor activities for children and their families.

MATH SCIENCE & TECHNOLOGY EXPO: VOLUNTEER NEEDED

A district-wide expo at the High School allows students the opportunity to share their scientific discoveries.

P.A.R.P. (PICK A READING PARTNER): DEBBIE SPAUN

A program to encourage our children to develop a love of reading, with fun, family-orientated activities throughout the three week event.

REFLECTIONS: BARBARA GILLMAN

A local, regional, and national contest where children submit different types of art (i.e., photography, drawings, essays, etc.) relating to each year's individual theme.

REWARDS PROGRAM: JUANITA PUCHKOFF

Grocery store programs you sign up for that give back to our schools.

SCHOOL PICTURES: JOY LABUDZINSKI

Student portraits are available in many different packages. Class pictures are available as well. Offered in Fall and Spring.

SCIENCE IN EDUCATION: VOLUNTEER NEEDED

Several PTA sponsored events throughout the school year, such as "Star Lab" and the "Nature Wagon."

STAFF APPRECIATION: DEBBIE SPAUN

A luncheon prepared and hosted by the PTA in appreciation of all faculty and staff.

WELCOME COMMITTEE: DEBBIE HAGAN

For those families joining the PTA who are new to the school.

YEARBOOK: DANIELLE RUTIGLIANO

A book of photos and memories available for sale toward the end of the school year.

ARLINGTON CENTRAL
SCHOOL DISTRICT

Code of Conduct Summary for Students and Families 2017-2018

The Arlington Central School District has always based its rules for conduct on the principles of safety, civility, mutual respect, citizenship, character, acceptance, inclusiveness, honesty and integrity. The Board of Education annually adopts a Code of Conduct that clearly defines expectations for acceptable conduct and identifies possible consequences for unacceptable conduct and ensures that discipline, when necessary, is administered promptly and fairly. This Code applies to all students, school personnel, parents and other visitors when on school property, on school busses, attending a school function, or when engaged in off-campus behavior that endangers the health, safety and well-being of members of the school community or which disrupts the educational process. The District is committed to safeguarding the rights of all students and to promoting a safe and orderly school environment that offers the best learning opportunities for all without disruption or interference. Therefore, students, teachers, parents, support staff and administrators must work together to create conditions that make our school district safe and that support active teaching and learning.

Student Rights and Responsibilities

Every student has the responsibility to attend school regularly, to be considerate of others and to observe the Code of Conduct. The Code of Conduct should be thought of as the rules for the school, including all school functions both on and off campus and should be abided by at all times.

You have the right to feel safe at school. All students have the right to concentrate on their school work and activities and enjoy them without worrying about unkind words and actions from others. No student should be subjected to harassment or discrimination based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sex, sexual orientation, or gender (including gender identity and expression) by school employees or students on school property or at any school-sponsored function. It is against school rules for anyone to make anyone else feel uncomfortable due to any of these characteristics, or to make anyone else feel threatened or unsafe. Even if an action takes place off school grounds, it can be considered against school rules when it negatively impacts the ability of students to focus on their school work and participate in school activities.

Dignity for All Students Act

A state law known as the Dignity for All Students Act focuses on ensuring that your school is a safe place and that all students know they are protected from certain types of behavior including cyberbullying. Each school has a Dignity Act Coordinator, who is trained in addressing the issues covered by the law. If anyone is making you or anyone else feel unsafe, threatened, harassed or discriminated against, and is therefore causing an imposition on your ability to learn, please talk to your Dignity Act Coordinator, principal, or another adult at school.

Dress Code

The responsibility for student dress and general appearance rests with individual students and parents.

Examples of standards of dress include but are not limited to the following:

- Extremely brief garments and see-through garments are not permitted, including garments that expose a student's mid-section.
- Underwear should be completely covered with outer clothing.
- Footwear must be worn at all times. Footwear that is a safety hazard will not be allowed.
- The wearing of hats or other head gear in classrooms, instructional areas or offices except for a medical or religious purpose is not permitted.
- Clothing may not include items that are vulgar, obscene, and libelous or that denigrate others on account of race, color, religion, creed, national origin, gender, sexual orientation or disability.
- Clothing may not promote and/or endorse the use of alcohol, tobacco (smoking), or illegal drugs and/or encourage other illegal or violent activities.
- Clothing that obstructs a student's identity, including but not limited to hats, hoods from sweatshirts, jackets, and sweaters, as well as face masks, may not be worn in school.

Student Conduct

The Arlington Central School District expects all students to conduct themselves in a civil manner that shows regard for other students, staff, and other members of the school and general community.

All members of the school community are expected to engage in school-wide systems to promote positive behaviors, supports, and interventions. Each building will inform students and parents of the school rules regarding dress and prohibited student conduct at the beginning of the school year. Students may be subject to disciplinary action, up to and including suspension from school, when they engage in behavior that is:

- Disorderly/Unsafe behavior (*i.e., running, misusing equipment*)
- Insubordinate (*i.e., failure to comply with reasonable directions*)
- Violent (*i.e., hurting others, possessing a weapon, threatening others*)
- Endangering the welfare of others (*i.e., discrimination, harassment, sexual harassment, intimidation, possession of alcohol or drugs, provoking/encouraging/inciting others to violate the Code of Conduct*)
- Dangerous behavior on the school bus
- Academic misconduct (*i.e., plagiarism, cheating, forging notes*)

***Please see the Technology Acceptable Use Agreements and Code of Conduct for a more complete list of prohibited behavior.**

Reporting & Retaliation

All students are expected to promptly report any violations of the Code of Conduct to the appropriate adult. This includes incidents of other students or staff being harassed or discriminated against by students, school staff or other individuals on school property. Students who believe they have been harassed or discriminated upon due to their actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sex, sexual orientation, or gender (including gender identity and expression), are to report allegations to the Dignity Act Coordinator(s) who will investigate all complaints and take prompt corrective action, as necessary. In addition, any district staff member who observes or learns of an incident or possible incident of harassment or discrimination must take immediate and appropriate action to report the incident to the administration. Staff members must also take steps to both end the harassment or discrimination and prevent it from reoccurring. Any act of retaliation against a person who reports, investigates or participates in the review of a complaint of harassment or discrimination will not be tolerated.

All students, staff, and parents are responsible to report violations of the Code of Conduct to a school administrator or law enforcement personnel. Disciplinary action, when necessary, will be firm, fair and consistent. School personnel will consider all circumstances in determining disciplinary penalties. As a general rule, discipline will be progressive, meaning that a student's first violation will receive a lighter penalty than subsequent violations (unless a law has been broken). Discipline procedures range in severity from a verbal warning to permanent suspension from school. Students must be told what rule has been broken and must be given a chance to tell their version of the facts to the administrator who is imposing a penalty. Additionally, information must be shared with parents if the penalty will result in removal from class, and/or suspension from school, transportation or extracurricular activities. *Please refer to the Code of Conduct for further details.*

Note: The District adheres to all Federal and State regulations regarding the discipline of students with disabilities.

Student Searches

A building administrator or law enforcement may conduct a search of a student and a student's belongings or backpack if he or she has reasonable suspicion that the search will provide evidence that the student violated the law or the Code of Conduct. However, a search may include a student's lockers and desks as they are school property or other school storage place and may be done at any time by school officials or law enforcement without prior notice to the student, without the student's consent and without reasonable suspicion. These school areas are not subject to the rules of the Code of Conduct regarding searching a student or student's belongings since these areas are controlled by the school. Whenever practical, the student will be present while their possessions are searched. Law enforcement officials may be summoned by the school official if it is suspected that a law has been broken if there are reasonable grounds to believe a crime has occurred.

Academic Integrity

Every students' work should be his or her own. Students have the responsibility to complete their work themselves and to acknowledge sources of information used in that work. The Code of Conduct contains more information about the rules of academic integrity and the consequences for violating them.

Visitors to the Schools

Anyone who is not a district employee or student of the school is considered a visitor. When a visitor wants to visit a building during the school day they must call the main office to make an appointment. All persons on school property or attending a school function shall conduct themselves in a respectful and orderly manner. This includes, but is not limited to, abiding by the no smoking policy, being properly attired, not committing acts of violence or harassment, and not violating any civil law. Visitors are expected to abide by all the rules for public conduct on school property contained in the Code of Conduct. Any visitor who does not abide by the Code of Conduct will be asked to leave school property.

The Code of Conduct is posted on our website at www.arlingtonschools.org.

Copies of the complete Code of Conduct are available in each school's main office.

Please contact your school principal if you have additional questions or need more information about the Code of Conduct.

The Code of Conduct is reviewed and updated as necessary each year. It is approved annually by the Arlington Central School District Board of Education.

This summary document is distributed to all students in the beginning of the 2017-2018 school year.

Dignity Act Coordinators

The Board of Education shall appoint District Coordinators and Building Level Coordinators on an annual basis and as changes occur throughout the school year. The names of the Building Level Coordinators will be available on the District website (arlingtonschools.org) and by contacting a District Coordinator or any school office.

District Coordinators

Ms. Margaret Muenkel, Assistant Superintendent for Human Resources
Arlington Central School District
144 Todd Hill Road
LaGrangeville, NY 12540
(845) 486-4460 X20116

Dr. Tina DeSa, Assistant Superintendent for Pupil Personnel Services
Arlington Central School District
144 Todd Hill Road
LaGrangeville, NY 12540
(845) 486-4460, X20121

SCHOOL CLOSINGS AND DELAYS

Early Dismissal Times

If we anticipate significant inclement weather to arrive during the school day **before** the normal dismissal time, ***Overlook students will be released at 11:30am.***

District early dismissal times as follows:

- **Arlington High School** **10:00 a.m.**
- **Middle Schools** **10:00 a.m.**
- **All Other Elementary Schools** **11:30 a.m.**

These are our traditional bus departure times for an emergency early dismissal. Unless there are extraordinary circumstances that severely threaten students' well-being, we will not conduct an early dismissal later in the day. Although this increases the possibility of dismissing students based on weather forecasts that do not materialize, we believe that this will be safer for students and less confusing for parents.

Emergency Drop off Locations

In order to safeguard each child, ***please confirm with your school a single emergency drop off location*** in the event of an early dismissal. Please discuss this plan with your children. When confusion occurs, it is not always possible to reach parents to confirm their child's destination. We need your help to ensure that every Arlington student is transported safely to the correct location. Please note: SchoolMessenger automatically calls the home phone number. Parents can add additional phone numbers and text messaging by creating a Contact Manager account. If you already have an account, please make sure it is up to date. If you wish to create an account, visit the "Parents" section of the Arlington website at www.arlingtonschools.org for more information. **If you have a kindergarten student or are new to Arlington, we will be emailing you information about Contact Manager by the end of August.**

Cancellation Procedures

Between 4:30 a.m. and 5:00 a.m., Dr. Lyons' will consult with our Transportation and Maintenance Departments, weather forecast services, and other school districts to make the best decision possible about delays and cancellations.

Delayed Openings – Two and Three-Hour Delays

If it appears that weather or road conditions will improve, we will delay the start of school. Our standard delay will be for a two-hour period. However, if weather or road conditions suggest the need for a longer delay, we may call a three-hour delay. **PLEASE** listen to the announcement carefully or check the website if you have any question about the length of the delay. If after announcing a delay we determine that safety conditions will not improve, we will announce a school closure between 7:00 a.m. and 8:00 a.m.

In the event that there is a delay on a scheduled half day of school the half day will be rescheduled for another date and students will remain in school until regular dismissal time.

Information about Cancellations, Delays, and Early Dismissals:

There are a variety of sources of information for school delays, closings, and early dismissals:

School Messenger	<p>This system is designed to call phone systems, utilize email addresses and send text messages depending upon the information available in the system. The system has the ability to call all possible phone numbers for a student or family simultaneously for a minimum of three attempts. If an answering machine responds, a message will be left.</p> <p>In order to avoid receiving duplicate calls, please listen to the message introduction. If you hang up immediately, the system thinks the call has been dropped and will call you again.</p> <p>If you have questions about SchoolMessenger, please visit the Arlington website at www.arlingtonschools.org for more information.</p>
