Calling all young men of color! We are pleased to announce the AHS New York State My Brother's Keeper Initiative. In 2014, former President Barack Obama established the My Brother's Keeper (MBK) Task Force at the federal level. With a goal of eliminating the opportunity gaps faced by boys and young men of color so that all young people have the chance to reach their full potential. MBK strives to create a long-lasting brotherhood. Students will have the opportunity to engage in a safe space with fun activities related to personal development, building relationships and college/career readiness. Please reach out to Ms. Laguerre for additional information- jlagueerre@acsdny.org
