Course Guidelines

Please read the course guidelines and course outline for your child's physical education class together with your child.

Learning should not be about surprises or trying to catch anyone "off guard," but rather a team effort. If you or your child have any questions about the course guidelines or the rubric, please ask! You can contact me via phone or email, and your child can always see me during class time.

Please note that all information, assignments and announcements will be available through Google Classroom. Google Classroom class codes are posted on my school web page, and invitations to join each classroom have been sent out.

New York State and National Physical Education Standards

The course outlines for all physical education courses at AHS are aligned to the NYS and National Standards. Questions regarding what is being taught in class are always welcome!

Please check out the sources on my web page for more information on what your child will be learning in physical education this year, and how you can help support your child throughout the school year. Always feel free to contact me with any questions or concerns you may have!

Welcome to Physical Education !!

I hope you and your family had an enjoyable summer! I also hope you are ready for another EXCITING year at the Arlington High School! I am looking forward to a productive and successful year working with your child. Your child will receive the best education when we work together for their benefit.

I hope to be in contact with all of you throughout this school year. You can contact me in the following ways:

Phone: (845) 486-4860 Ext: 70789
Email: mschoonmaker@acsdny.org

I look forward to working with you to keep the lines of communication open. Please contact me as soon as you have any questions or concerns; I will return your call/respond to your email as soon as I can. I will also contact you as soon as I have any questions or concerns to discuss.
