GUIDANCE DEPARTMENT**

8th Grade

LAST NAME: _____

FIRST NAME: _____ MIDDLE: _____

In Arlington, students in Grade 8 take English, Social Studies, Math, Science, Foreign Language, Health/Technology, Physical Education, and Lunch. Students are not required to take music; therefore, general music is no longer offered. Students in performing music classes are encouraged to continue. Please note that all music classes, including Chorus, require lessons on a rotating basis and they must commit to the class for the full year. In addition, it takes two (2) years to meet the New York State Middle School Foreign Language requirement. All 7th and 8th grade students (with the very limited exception of some in special education) are to be enrolled in a foreign language and cannot change. Please know that students in special education will not have their courses finalized until their annual review meetings.

****THIS IS A TWO YEAR COMMITMENT**
NO EXCEPTIONS**
