

Meet the

TEACHER

ROOM 22

Hello New Second Graders,

Yah! You are in Second Grade now! Can you believe it? I am so pleased to be your teacher for the upcoming school year. My name is Mrs. Ritchie and I have been teaching for a very long time. I live in Rhinebeck with my husband and two wonderful daughters who are rising up to eighth and tenth grade. This summer I have been reading lots of books and going to school just like you. I have been waiting all summer to meet you! I hope you are excited about going on lots of fun reading adventures with me. I look forward to meeting you all! Enjoy the rest of your summer and I'll see you in September.

READING

In reading you are going to be reading some amazing books as you climb up the reading beanstalk. You will get the chance to write like famous authors and celebrate your writing pieces. All along the way you will be singing, dancing, laughing, and have a great time learning together

I promise you, our time together in room 22 is going to be a blast!

GLOWS

On the first day of school I will be ready to meet and greet you with a butterfly hug. We'll introduce ourselves and have fun chanting and meeting our classroom mascot. We will talk about what our second grade class will look and sound like. I will teach you how to use your literacy kits and share fun games about our names. Most importantly, you'll meet our reading friend Rasheed. He's waiting for you!
