WHAT WILL WE READ?

There is a wide selection of books that we will read in fourth grade. There will be an emphasis on non-fiction text structures. We will also read fiction stories, biographies, and poetry. In addition to meeting in reading groups, there will be time set aside when students will "Read to Self". Students will also be required to read every night.

SOCIAL STUDIES

Summer is the annual permission slip
to be lazy. To do nothing and have it
count for something. To lie in the
grass and count the stars. To sit on
a branch and study the clouds.
