

WNB #1- Book Review for *HOMS*

We have just finished reading the book *House on Mango Street*. Follow the “Elements of a Book Review” in order to complete this assignment. What did you think of the book? What aspects of the book did you enjoy? What did you not enjoy? Would you recommend this book to others? Why/why not? Who might enjoy reading this book, and who would not?

If you are struggling to get to 10 lines, you can talk about the writing style (vignettes), figurative language (imagery), and character development (how Esperanza grows).
